SUNKEN SILVER Chapter 9 "The Secret Panel"

By Frank Leon Smith.

Brice arrests Hade for confiscation of money stolen from the Government by pirates. But Hade escapes, has the money hidden in the snake house removed to his yacht, then returns to the house to get Claire and Milo to flee with him. Brice gives a signal that brings Sato (also a secret service agent) and reinforcements, who quickly capture Hade and his men. Hade is given permission to playhis violin, and, while he plays, Roke enters the music room through a secret panel and takes Hade's place, so that Hade escapes.
